STILL BEING, [CORPOS PRESENTES], CCBB, SÃO PAULO, BRAZIL

12 May - 15 July 2012

STILL BEING will be held in three venues in São Paulo, Rio de Janeiro and Brasília and will introduce the major themes that have concerned the artist over the last 40 years: body as space and space as object.

The exhibition will include AMAZONIAN FIELD, CRITICAL MASS, EVENT HORIZON and BREATHING ROOM, alongside other works.

This is the first major exhibition of the artist's work in South America.
