

ANTONY GORMLEY

KUNISAKI ART FESTIVAL OPENS IN JAPAN

4 October - 30 November 2014

Antony Gormley's ANOTHER TIME is part of the Kunisaki Art Festival which will open in October. This is the third permanent work commissioned by Kunisaki Art Project after Yoko Ono and Jeong-Hwa Cho, and is installed in the hillsides of Sento, Japan, a natural wilderness which has long been a site for Buddhist contemplation.
