ANOTHER SINGULARITY, ECHIGO TSUMARI ART TRIENNIAL, JAPAN, 2009

26 July 2009 - 13 September 2009

The Echigo-Tsumari Art Triennial is the world's largest international art festival, held every three years in the Echigo-Tsumari region, encompassing Tokamachi City and Tsunan Town in Niigata Prefecture. As part of the Triennial, Antony Gormley installed *ANOTHER SINGULARITY* in an abandoned house. The work is now on permanent display.
