

ANTONY GORMLEY

SELF AS SELVES, IRISH MUSEM OF MODERN ART, DUBLIN, IRELAND, 2008

17 June - 16 November 2008

SELF AS SELVES was an exhibition of ten works from IMMA's Collection which explored the provisional nature of 'self', as a series of transitory states, always changing, never defined. The exhibition included Antony Gormley's SICK (1987-89), alongside a selection of drawings.
