*KUNISAKI ART FESTIVAL OPENS IN JAPAN*

4 October - 30 November 2014

Antony Gormley's *ANOTHER TIME* is part of the Kunisaki Art Festival which will open in October. This is the third permanent work commissioned by Kunisaki Art Project after Yoko Ono and Jeong-Hwa Cho, and is installed in the hillsides of Sento, Japan, a natural wilderness which has long been a site for Buddhist contemplation.
