

ANTONY GORMLEY

SPACE OUT, ROPAC SALZBURG HALLE, AUSTRIA

29 July - 31 October 2015

Galerie Thaddaeus Ropac is delighted to host an exhibition of sculptures by Antony Gormley in the Halle in Salzburg. SPACE OUT continues the artist's investigation of body and space, interrogating the body as place and architecture as the primary conditioner of our experience of space.

Antony Gormley explains: 'EXPANSION FIELD (2014) tests the relationship between what something feels like and its external appearance. Each work is the result of a moment objectified in a frame, one that has no absolute dimension. SPACE OUT is an attempt to sculpt space itself. Each work isolates a space which, while becoming visible, isolates a darkness that is invisible'.
