## *FIELD FOR THE BRITISH ISLES - NEW PUBLICATION*

FIELD FOR THE BRITISH ISLES: ANTONY GORMLEY, with a newly commissioned text by anthropologist Hugh Brody, has just been published by Hayward Publishing, Southbank Centre. With a wealth of images showing how the work has been made and displayed, this book offers an invigorating new perspective on a much-loved work, 25 years after its first showing. One of the most ambitious acquisitions in the Arts Council Collection, *Field for the British Isles* is a seminal work of twentieth century British art.
