

ANTONY GORMLEY

NEW WORKS: 95.3, ARTPACE, SAN ANTONIO, USA, 1995

07 July - 08 August 1995

NEW WORKS 95.3 is one of a series of exhibitions featuring works by artists participating in The Pace Roberts Foundation for Contemporary Art's International Artist-in-Residence Program. Gormley's solo exhibition displayed one lead sculpture - LOCK II (1994) - and a series of twelve drawings he made while artist-in-residence at ArtPace (December 1994 - January 1995).
